

Sabbatical Elections Nomination Form

Position: Vice President Education & Welfare

Candidate Name: Christine Nixon

Student No: 072837711

Programme: Counselling Studies **Year:** 3rd

6 word Slogan: Need Something Fixin'?
Vote for Nixon!

Background/Personal Information (No more than 100 words)

I come from a big family of 5 bothers and 2 sisters. I grew up in Derbyshire and at the age of 13 moved to Doncaster for my final years at school. I always knew I wanted to work with people, so Counselling studies seemed the perfect root for me. Being at YSJ for the past 3 years I have learnt a lot about myself, developed my self esteem and met some amazing people. I would like to pass my knowledge and experience of university life on to others so they can enjoy it as much as I have!

What I Believe (no more than 5 bullet points, no more than 20 words each)

- I believe a happy student makes a happy university.
- I believe the relationship between York St. John and York's residents is important to create a harmonious surrounding.
- I believe that the academic side to university is just, if not more important than the social side.
- I believe that I am here for you!
- I believe in "Working together to get the job done!"

What I Want to Change (as above)

- Make room choices for lecture groups appropriate for class size and use.
- Provide more support for international students during their time at YSJ.
- Look into affordable parking options for commuting students.
- More consideration for mature students and those students with families with times of lectures.
- Continue Katie's work, maintaining relationships with the students, using drop in times and workshops to find out what they want!

Please return this form, with your photo to the Students' Union reception by 12noon,
Thursday 18th February 2010 – or email it to a.winter@yorksj.ac.uk
