

Sabbatical Elections Nomination Form

Position: President

Candidate Name: Victoria Pitcher

Student No: 071389505

Programme: Film & TV Production & Film Studies **Year:** 3

6 word Slogan: Pitcher Perfect President

Background/Personal Information (No more than 100 words)

I first became involved in union activities in my first year through joining a society, creating good friends through it. I then joined the sports and societies committee as Treasurer, which gave me an understanding of how the union is run. This led me to run for Chair of Union Council, which has given me a greater understanding of the union, its staff and how decisions are made. With this and my experience as President of MPS and my role as Producer on Film and TV, I feel that I could do a great job as President of the Union.

What I Believe (no more than 5 bulletpoints, no more than 20 words each)

- That the Sabbatical Officers work for the students and support them as well as represent them.
- The Union should be a safe, inclusive place for all students.
- That every student should know that the Union is not part of the University.
- That the students union is YOUR union.
- That the Union should be fun!

What I Want to Change (as above)

- Wider participation: Chance for all students to get involved in any union activity and promote all opportunities to all students.
- Communication: Communication to be improved between the union and the staff, student officers, students, the university and the local community.
- Access for All: Every student should be able to access every part of the union; I would solve this problem.
- Support: The union exists for the students, so the Sabbaticals should be there to support them with their troubles.
- Promotion: Advertise Union and University events, volunteering, that anyone can go upstairs and information on sports and societies
